

Applicant: Kaever et al.
Application No.: 10/576,973

Remarks

Amending the title of this application is appropriate. Under 37 C.F.R. §1.312, no amendment may be made as a matter of right in an application after the mailing of the notice of allowance. Nonetheless, an amendment may be entered on the recommendation of the primary examiner, approved by the Director, without withdrawing the application from issue. In the present case, the amendment is minor and corrects an apparent error in a January 11, 2010 Examiner's Amendment.

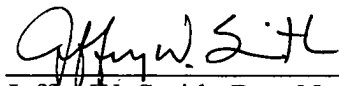

The amendment of this application after allowance falls within the guidelines of 37 C.F.R. §1.312 because it does not affect the merits of the case or any substantive aspect of the application.

This amendment under 37 C.F.R. §1.312 is filed on or before the date the issue fee is paid.

Conclusion

For the foregoing reasons, Applicants respectfully request that the title of this application be amended to correspond to the allowed claims.

Respectfully submitted,

Jeffrey W. Smith, Reg. No. 33455
